

The Familyman Summer Bucket List Challenge

Here's the idea: Complete the activities with your family on the Summer Bucket List Challenge. There's lots of wiggle room. If you think it counts...it counts. Every item you complete...is eternal.

- Ice Cream Night** - If it's frozen and tastes good, it counts. Might be homemade ice cream, a late night run to DQ, or a happy hour at Sonic (1/2 off after 8PM)
- Outside Family Game** - Think kickball, frisbee football, four-square, Nukem...Lawn Jarts. You name it.
- Kids' Building Project** - Tree house, fort, bird house, picnic table, go cart, roller coaster. If you make it with nails, paint, and kids...it counts.
- Outdoor Family Event** - Car show, outdoor concert, fireworks, swap meet...
- Campout** - At a campground or in your backyard, living room, or kitchen. If it's uncomfortable and you barely get any sleep, it counts.
- Bug Safari** - 50 lightning bugs, 30 sand fleas from the beach, 5 butterflies, 1 Child of the Earth (google it), or anything else that fits in a jar.
- Long Bike Ride** - Get out the bikes and find a bike trail or go on a long bike ride (5-10 miles)
- Kids' Idea** - Ask your children what they'd like to do...and then do it.

Take a picture documenting each activity and send it to me at familyman@familymanweb.com
